

# Support us on your wedding day

---

## Congratulations on your engagement!

If you are in the process of planning your special day, why not consider supporting Alzheimer's Society as part of your wedding celebrations?

You could ask friends and family to [give a donation](#) to Alzheimer's Society instead of buying a wedding present, or simply take a collection at the reception. You could also [make a donation](#) on behalf of your guests instead of giving them traditional wedding favours.

## How to get started

In three simple steps you can help to improve the lives of people affected by dementia and add some sparkle and a little bit of something different to your wedding celebrations:

1. [Order your celebration materials.](#)
2. Tell your family and friends before the celebration you want to collect for Alzheimer's Society
3. You or your guests can send their donations to us directly using our freepost address, online or by phoning **0845 306 0898**.

Your support on your special day means a great deal to us, thank you.

## Wedding favours

If you would like to make a donation to Alzheimer's Society instead of giving your wedding guests traditional favours, we can send you your choice from a selection of lapel badges, keyrings or table cards to let your guests know what you have chosen to do.

The suggested minimum donation for wedding favours is £1 per favour.
