

Giving through your salary

Payroll giving or 'give as you earn' is a valuable source of income for the Alzheimer's Society. As well as being one of the easiest ways to give to charity, it's tax free if you are a UK taxpayer.

How it works

- Individuals give to their favourite charity direct from their pay.
- The key benefit of payroll giving is that your contributions are deducted before tax. So if you are giving £10 a month, this will mean only £8 is deducted from your take home pay.
- Anyone can join if their pay or pension is taxed through PAYE.
- Those who join the scheme receive our regular 'Thanks to you' newsletter which keeps you in touch with news of the Society and its activities.
- Why not start to 'give as you earn' today?

It could not be easier.
