

Dementia Knowledge Centre

[The Dementia Knowledge Centre \(DKC\)](#) is an information service for professionals and others with an interest in dementia care and research.

Our aim is to improve the quality of life of people with dementia by encouraging learning and best practice. We welcome enquiries from health and social care professionals, researchers, trainers and students.

The DKC collection includes published information (print, and electronic resources) covering medical information, health care, social care, housing, design, therapies, novels, personal accounts and much more.
