## Recycle your mobile phones and raise money for Alzheimer's Society

This is a great way to raise money for Alzheimer's Society, and it's good for the environment.

For every phone you recycle, regardless of its age or condition, Alzheimer's Society receives £3.

Please remember to remove the SIM card, then simply pop the phone in the post, and send it to:

FREEPOST  
ShP Solutions  
Lancaster

And put a note inside saying you would like the money to go to Alzheimer's Society.

If you've got more than five phones to collect, email [contact@shpforcharity.co.uk](mailto:contact@shpforcharity.co.uk) to arrange a free courier to come and pick them up.

It's as simple as that!
