

Our legacy booklet

After providing for your loved ones, leaving a gift to Alzheimer's Society in your Will can help us win the fight against dementia.

For the 100,000 people [diagnosed with dementia](#) every year, your gift will bring expert care, support and advice. It will also bring hope - because we are committed to funding vital research that one day may lead to a cure.

Including a gift in your Will is a simple process, but before you visit your solicitor it's important to spend some time preparing.

This will save you time and money as well as knowing you are making the right decision.

Our step by [step guide](#) helps with some of the practical information, and our legacy booklet contains information about why we need your support, and how we might spend your gift to help people with dementia.

Free copy of our legacy booklet
