Guess the song and the artist

- 1 Yes I still remember, every whispered word, the touch of your skin, giving life from within
- 2 Wake up the dawn and ask her why. A dreamer dreams, she never dies
- 3 On the waves of the air, there is dancin' out there, if it's somethin' we can share, we can steal it
- 4 I broke my heart, fought every gain, to taste the sweet, I face the pain
- 5 Remember to let her into your heart, then you can start to make it better
- 6 You get the gray skies outta my way, you make the sun shine brighter than Doris Day.
- 7 You shake my nerves and you rattle my brain, too much love drives a man insane
- 8 When you're short on your dough, you can stay there, and I'm sure you will find many ways to have a good time
- 9 All I do each night is think, of all the time I've closed the door to keep my love within
- 10 And I have met my destiny in quite a similar way, the history book on the shelf is always repeating itself
