Elf Day bingo

1. Cut out each of the calling card images above and place in a bowl.
2. Give each player a bingo card (don’t forget to ask for a donation from everyone taking part) and a pen.
3. One by one, pick out a card from the bowl and call out the image. If a player has it on their board, they should cross it off.
4. Once a player has a complete line crossed off, either vertically, horizontally or diagonally, they should shout ‘Elf!’! The first player to complete a line is the winner! (you may choose to source a prize for the winner).
