How to use your matched giving form

£50 could help researchers to use an innovative picture communication tool to help people with advanced dementia to manage problems with eating and drinking.

£208 could pay for one of our Side by Side services to run for a day. Our volunteer-led programme provides companionship and support to people with dementia by helping them to continue doing the things they love.

£590 could provide a space for people worried about dementia to connect, tell their stories and support each other, by funding our online community Talking Point for a weekend.

£1,000 could fund a campaigning day in Westminster to raise awareness of dementia among MPs to achieve a better, more equal care system.
