

Dine in for dementia

How to host your Dine in

1. Choose your Dine In option

- A dinner party
- A bring and share lunch at work
- A weekend brunch

Serve up lashings of fun, laughter and great conversation while raising funds to beat dementia.

2. Pick a date

Get the date in the diary and use your invitations to invite friends, family and colleagues to dine with you.

3. Choose your menu

Find inspiration from our suggested menu, or dig out one of your own recipe books for ideas.

4. Prepare your fundraising

Ask for donations from diners, we recommend:

- Dinner party diners £20 each
- Bring and share lunchers £5 each
- Weekend brunchers £10 each

Print your donation jar wrap and find an old (empty and clean) jam jar to place on your table. Wrap the paper around the jar, cut to size and glue or tape together.

5. Get ready!

Remind your diners a few days before your event, shop for your ingredients and get the table decorations out.

Enjoy your Dine in and remember to share your memories on social media using **#dineinfordementia**.

Dine in this Dementia Action Week

20-26 May 2019

Alzheimer's Society's Dementia Action Week (20-26 May 2019) unites people, workplaces, schools and communities to take action and improve the lives of people living with dementia. We all have a role to play in making the UK a dementia-friendly place to live and that's what Dementia Action Week is all about. This Dementia Action Week, it's time to start talking, so we want you to open up the conversation on dementia with your friends, family and colleagues at your Dine in event.

Start the conversation. Unite with us against dementia. Visit alzheimers.org.uk/DAW.
