Alzheimer’s Society Annual Conference 2020

Sponsor and Exhibition Opportunities

Monday 18 and Tuesday 19 May 2020
etc.venues, 133 Houndsditch, London, EC3A 7BX
Alzheimer’s Society’s flagship annual conference returns in 2020. With dementia increasingly taking centre stage in the news agenda, some major issues are coming to the fore – from the ongoing search for a cure, the desperate need for social justice for people living with dementia, to how we can help people live well with dementia, on both an individual and societal level.

The theme for this year’s conference is ‘Innovation and Impact: Addressing the Big Questions for Dementia’. We are seeking your support at the conference, through a whole range of sponsorship options, to support our vital work and build towards our vision of a world without dementia.

Our conference programme for 2020 will be built around the first-hand experience of dementia at all stages and will consider the big questions for people affected by dementia, those who support them and the wider society. Alzheimer’s Society Annual Conference will showcase the latest innovations in research, policy, care practice and technology, with a focus on initiatives that will make a sustained and impactful change.
Big Questions in Dementia

Across the two days, delegates will have the opportunity to engage with the big challenges in dementia and hear how these are being addressed in innovative ways across the UK. These are the issues that we will be addressing:

- **‘Big Questions in Brain Health’** – From biomarkers improving diagnosis to increasing resilience, how can we predict and reduce the future cases of dementia?

- **‘Big Questions in Making Society Dementia Friendly’** – Looking at businesses, culture and reaching out to young people, how can we reduce isolation, stigma and barriers faced by people living with dementia?

- **‘Big Questions in the Dementia Pathway’** – From diagnosis to end of life care, how can we improve support levels across the dementia pathway and be truly influential on a policy level?

- **‘Big Questions in Technology’** – From adapting and evaluating the suitability of current technologies to harnessing the power of emerging technologies, how can technology deliver for people living with dementia?

The Venue

Alzheimer’s Society Annual Conference 2020 will take place at etc.venues, 133 Houndsditch, London on Monday 18 and Tuesday 19 May. This is an exciting new venue for us. The conference will be our biggest yet, featuring plenaries, parallel breakout sessions, exhibition space, poster display and a drinks reception at the end of the first day.
The Audience

There will be 500 attendees on each day, which will include a mix of:

- Leading influencers in health and social care
- International and national dementia researchers and organisations
- NHS and third sector organisations
- Clinicians and practitioners
- Policy makers
- Local authorities
- Central and local government
- Commissioners
- People affected by dementia
- Providers of community health services

Sponsorship Opportunities

We have opportunities for corporate sponsorship for this educational and informative event at two key levels – Lead Sponsors and Sponsors. Beyond that we have a whole series of different sponsorship and exhibition options to suit all requirements and budgets. Below are a list of general benefits and specific features of the sponsorship opportunities, but we can discuss your objectives and tailor accordingly.

Benefits

- Affiliation with the UK’s leading dementia charity, providing information and support, improving care, funding research, and creating lasting change for people affected by dementia
- Maximise exposure and the opportunity to engage with a large proportion of the delegates directly and develop high level, long term contacts with them
- Communication with the key influencers and decision makers within health and social care
- Add your voice to the dementia debate and influence change: Your involvement will not only help raise your company’s visibility, but it will also help propel dementia to the top of the health agenda.
- Recognition as being part of the Dementia Movement
Lead Sponsor Rights

- Exclusive opportunity to co-develop a breakout session with Alzheimer’s Society, including co-designing a theme of mutual interest, jointly inviting speakers, and having a speaker from your company on the panel. We will have no more than two Lead Sponsors as there will be a maximum of two breakout sessions that we will co-develop.

- Primary logo presence on screen in the main hall and all breakout rooms.

Additional venue branding options are available on request
Drinks Reception sponsor

This package offers a premium opportunity as the first day of the conference closes, to sponsor the evening drinks reception. This opportunity provides a greater platform to engage with delegates and to address delegates as the reception begins. We can combine this exclusive opportunity with one of our exhibition stands to engage with our delegates during the entire conference, while your branding would also be displayed around the room during the reception.

The package includes the above, and the Silver exhibition stand package, with a total of 5 delegate tickets.

Breakfast sponsor

This package guarantees a high-profile position at the conference, with an opportunity on the morning of Day 2 to hold an invitation-only, or open breakfast reception for delegates. This opportunity means that delegates start the day with your product or service in mind. You can combine this exclusive opportunity with one of our exhibition stands to engage with our delegates during the entire conference while your branding would also be displayed in the room during the breakfast.

The package includes the above, and the Silver exhibition stand package, with a total of 5 delegate tickets.

Conference App sponsor

As a Conference App sponsor, when delegates log-in to the app your logo will appear alongside your stand number. The app will be co-branded with Alzheimer’s Society and your logo/rolling banners at every opportunity.

The package includes the above, and the Silver exhibition stand package.
