Overview

This trek takes us on a journey, scaling the heights of the stunning Central Peaks in the Brecon Beacons, this is a challenging, but achievable trek.

Both routes will really test your stamina, whether you choose the 26 mile or the 13 mile option. The terrain is challenging and there are steep climbs as you ascend the peaks, but you'll be rewarded with stunning views across the Brecon Beacons National Park. After your trek you'll head back to the event hub for your well-deserved medal and glass of bubbly, tired but feeling exhilarated by your incredible achievement!

On the day

You'll meet all your fellow trekkers at the event hub in the morning where the first stop is registration. We know a challenge like this can be daunting, but you'll be trekking with people who have also experienced how tough dementia can be, just like you. We'll all be in it together. After registration there's just time for breakfast, a cuppa and your event day briefing. Then before you know it, we'll all be joining in the big count down to the start!

Your day will start on footpaths in fields before commencing the climb up to Fan Y Big a height of 717metres. The 13 mile route will then descend Gist Wen having great views across Brecon town centre. For the 26 mile option you will follow the Brecons Way to reach the Talybont Reservoir, then join onto the tow path of the Monmouthshire and Brecon Canal before a short section through the town and then following footpaths back to the finish.
