

All we want for Christmas is a world without dementia - Thank you for getting us one step closer.

Your secret Santa has chosen to donate to Alzheimer's Society. With your help, we can transform the landscape of dementia forever.

What your gift pays for

- £6.00** Can provide a researcher with 50 microscope slides, essential is spotting the tiny changes that happen in the brain in dementia.
- £9.90** Can begin someone's Dementia Connect journey with a call from one of our telephone-based Dementia Advisers. This first contact with a person living with dementia, their carer, or family member is the initial step in understanding how we can best support them.
- £15.00** Brings 15 people living with dementia together with their local services through our online Dementia Directory. The Directory is incredibly easy to use - simply enter a postcode and find the right support in the area. The services are Alzheimer's Society's and any others that are available that can help.
