How to use your matched giving form

£50 could produce 86 copies of our Dementia Guide, an essential tool packed with advice and support for when a family receives a diagnosis.

£95 secures a day of life-changing support from our telephone-based Dementia Advisors. These experts provide guidance and support to people affected by dementia day in, and day out.

£500 could help 3,125 people access Talking Point, our online community. This platform lets people living with dementia share and learn from one another, in a safe online space.

What is Matched Giving and how to use it

- If your workplace offers a matched giving scheme, you can use this form to request a matched donation.
- Matched Giving is when an organisation matches the amount of fundraising an employee does for a charity. The fundraising of the individual is matched from the company's own resource up to a pre-determined level. Matched Giving can massively boost your totals, so it is always good to check if your employer has it!
- Please complete your details in the 'supporter details' section of the form.
- Pass your form onto your employer to complete the 'employer details' section.

Note for employer

Thank you for rising against dementia with us and matching donations for your employee's GLOW walk – we're very grateful for your support. It is important that you complete this form to enable us to track your donation to your employee's fundraising total.

Please complete the 'employer details' section of the matched giving form and take a look at how your donation could help people affected by dementia.

Please mark an 'x' on the form to show how you would like to make your donation. Once you have made your donation, please return the completed form to us in one of the following ways:

- **If donating via BACS or another online donation platform:** please email a copy to us at memorywalk@alzheimers.org.uk
- **If donating via cheque:** please post the cheque and completed form to: Alzheimer's Society, Bumpers Way, Chippenham, SN14 6NG
