

10 tips to reach your fundraising target!

1 Host a **quiz** with your friends, family and neighbours, either in person or online!

2 Ask colleagues, family and friends to sponsor you to wear **fancy dress** to certain meetings and video calls. Ask your boss to join in too!

3 If you have a **special talent**, or even a really good party trick, ask your friends for donations to learn your secret skill. Can you pipe the perfect icing, or do a signature dance move?

4 Ask people in your network who may now work from home to **donate** the cost they have saved from their **daily commute** to your JustGiving page.

5 **Bake** your way to your fundraising target by hosting a bake off.

6 Grab your washing up gloves! Ask someone you know if they would **donate for you to help** with some household chores for the day.

7 **Auction** off your kindness to your family or household. How much will someone pay for you to make the dinner every night or for a cup of tea in bed every morning?

8 **Learn a new skill** and ask for sponsorship to achieve a goal. This could be anything from learning a new language or hula hooping 100 times in a row!

9 **Host a dinner party** and ask for donations to be invited to an exclusive evening.

10 Create your **JustGiving** page and share on social media with everyone you know.
