

Bake the world a better place...

Thanks to the efforts of brilliant fundraisers like you, thousands of people living with dementia and their families can rely on Alzheimer's Society for support, care and guidance.

For information, support, or advice about dementia, call us on **0300 222 1122** or visit alzheimers.org.uk.

£9.90

could help reach a person with dementia through our Dementia Connect service, providing them with an initial call with our skilled dementia advisors.

Alzheimer's Society is a registered charity in England and Wales (296645); the Isle of Man (1128) and operates in Northern Ireland.

£15

could turn four people into Dementia Friends. Dementia Friends learn about dementia, raise awareness and offer support, so that people living with dementia can continue to live in the way they want.

£50

means 312 people can access our online community 'Talking Point' to share stories and receive support from others going through similar experiences.
