

# Top ways to be a superstar fundraiser!

Create and share your **JustGiving** page on social media and with friends and family.

Get together with family and friends and test their quiz knowledge. Charge an entry fee with half of the prize pot for your fundraising, and half for the winner!

Ask colleagues, family and friends to sponsor you to wear **fancy dress** to a meeting or video call. Ask your boss to join in too!

Ask your friends and family to donate their time and host **skill sessions** that people can pay to join. This could be anything from a baking class to a pottery workshop!

Have a clear out! Whether it's books, clothes, or something else, **get selling** the things you no longer need to kickstart your fundraising.

**Bake** your way to your fundraising target by hosting a bake sale for family, friends and colleagues.

**Auction** off your skills to your family or colleagues. How much will someone pay for their 9am cup of tea every morning, or for you to wash up for a week?!

**Be a quitter!** Whether it's sugar, alcohol, or even your phone, get sponsored to give it up for a week or even a month!

**Host a dinner party** for friends and ask for donations to join.
