Elf Day Sweepstake Game

All you have to do is pick the winning number and add to your w-elf

1. The Head Elf in charge of the game picks a number from 1 to 25, writes it in the top left corner and folds it over so no other elves can see.
2. We suggest players donate £2 to take part, writing their name next to a number and their elfie item.
3. Once there's a name next to every item, Head Elf can reveal the winner and give them a small prize.

**Elf
Day**
