

**It is estimated  
that 1 in 2 people  
living with dementia  
in Wales do not  
have a diagnosis.**

**A diagnosis is vital to give  
people access to the care,  
treatment and support they  
desperately need.**

If you're worried about yourself, or someone close to you, then check your symptoms today using our symptoms checklist.

Together we are help & hope  
for everyone living with dementia

**Thousands of people in the UK are facing the realities of dementia alone, without access to the vital care and support that having a diagnosis can bring.**

A dementia diagnosis may feel daunting, but **9 out of 10 people affected by dementia told us there are clear benefits to getting a diagnosis.** It means you can access the crucial treatment, care and support you need.

**If you're worried about yourself, or someone close to you, then check your symptoms today using our symptoms checklist.**
