Below is a selection of great fundraising ideas and challenges you can incorporate on and around your bingo night!

1

**Bingo Raffle:** For each bingo card purchased, players also receive a raffle ticket. This way they have a chance to win additional prizes even if they don't get bingo.

2

**Memory Bingo:** Create bingo cards that incorporates facts and statistics about dementia rather than traditional numbers. This will serve as a way to educate and raise awareness at the same time as fundraising!

3

**Virtual Bingo:** In this day and age many teams work from home and across the country. Hosting a virtual bingo party would be a fantastic way to fundraise with your team without everyone having to travel. There are several online bingo platforms to use for such a party!

**By hosting a bingo night, you are doing something amazing. You are helping to fund vital dementia research and giving help and hope to those living with dementia. Your support means that people with a dementia diagnosis can instantly access advice, guidance, and local services information. Thanks to you, they will not have to face dementia alone.**
