# How to use your matched giving form

## What is Matched Giving and how to use it

- If your workplace offers a matched giving scheme, you can use this form to request a matched donation.
- Matched Giving is when an organisation matches the amount of fundraising an employee does for a charity. The fundraising of the individual is matched from the company's own resource up to a pre-determined level. Matched Giving can massively boost your totals, so it is always good to check if your employer has it!
- Please complete your details in the '**supporter details**' section of the form.
- Pass your form onto your employer to complete the '**employer details**' section.

## Note for employer

Thank you for supporting us and matching donations for your employee's Memory walk – we're very grateful for your support. It is important that you complete this form to enable us to track your donation to your employee's fundraising total.

Please complete the '**employer details**' section of the matched giving form and take a look at how your donation could help people affected by dementia.

Please mark an 'x' on the form to show how you would like to make your donation. Once you have made your donation, please return the completed form to us in one of the following ways:

- **If donating via BACS or another online donation platform:**  
please scan your completed form and email a copy to us at [memorywalk@alzheimers.org.uk](mailto:memorywalk@alzheimers.org.uk)
- **If donating via cheque:**  
please post the cheque and completed form to:  
**Alzheimer's Society, Suite 2, 1st Floor East Wing, Plumer House, Tailour Road, Plymouth, PL6 5FS**

**£160** could fund eight hours of a Companion Call Team Leader's time, helping us onboard more volunteers and reduce the isolation that dementia can often bring. It's important that we bring the right people on board and give them the information, support and guidance they need from our specialist team, so that they can support others.

**£300** could fund a lab visit for up to 20 people affected by dementia, helping them learn more about ongoing research. This gives patients and carers the chance to hear about research plans and ask questions directly.

**£1000** could help to pay for three hours of running costs for the Dementia Friends programme. With over 3.5 million people committing to learn a little more about dementia, this initiative helps to break down stigma and create more supportive communities.

Alzheimer's Society is a registered charity in England and Wales (296645); the Isle of Man (1128) and operates in Northern Ireland
