Elf Day bingo

1 Cut out each of the calling card images above and place in a bowl

2 Give each player a bingo card (don't forget to ask for a donation from everyone taking part) and a pen

3 One by one, pick out a card from the bowl and call out the image. If a player has it on their board, they should cross it off

4 Once a player has a complete line crossed off, either vertically, horizontally or diagonally, they should shout 'Elf'! The first player to complete a line is the winner! (you may choose to source a prize for the winner).
